

WHY ELIZABETH BELONGS

For Elizabeth Evans Flanagan, it's all about people. From family to coworkers, from clients to Columbians, “Lizzie” knows the value of relationships. As a Certified Financial Planner and Wealth Management Advisor, she works hard to ensure the best for the families that trust her expertise. Lizzie was first introduced to the Columbia Club as a child, through her father’s membership, and continues that legacy today. Through her own membership, she has helped revitalize the Harrison Society, the Club’s unique group for members under 40, and now sits on the Club’s Board of Directors. She recognizes the unique connections she’s been able to make here – from childhood memories with her family, to growing her own network. Lizzie belongs for the personal connections.

At the Columbia Club, membership matters.
