

## WHY GREG BELONGS

---

**Greg belongs for the culture.** When Greg Goode walks into the Columbia Club, he immediately feels at home, even though he's miles away from his own. Whether he's enjoying a unique dining experience, staying in Indianapolis for work or getting to know a fellow Columbian, he appreciates the opportunities the Club provides for anyone interested in participating. Greg remembers joining the club mostly for professional reasons – as the Executive Director of Government Relations for Indiana State University, he wanted to interact with government officials in a setting outside the Indiana Statehouse. Since becoming a Columbian ten years ago, he has met members from all over the city, from a variety of professional disciplines, who make the Club the unique place it is.

**At the Columbia Club, membership matters.**
