

WHY OSCAR BELONGS

Oscar belongs to give back. Day-to-day, Oscar Guterrez is working to drive innovation within The Mind Trust, where he is currently the Senior Director of Facility Strategy and Financing. He values his membership in the Columbia Club because it continues his life-long pursuit of giving back. In 1997, Oscar joined the Air Force, serving from 1997-2001 and has been a member of the Army Reserve since 2006. He's passionate about ensuring all children receive a high-quality education, as well as helping military families, veterans and the local Hispanic community. At the Columbia Club he is involved with veteran outreach and happily recruits new Columbians. He knows the Club is a place where diverse individuals can get together, enjoy each other's company and help better the community.

At the Columbia Club, membership matters.
