Historical Elegance in the Heart of Downtown Indianapolis

The Columbia Club has been planning special events for Indianapolis members, friends and visitors for more than 125 years. It is perfect for small rehearsal dinners or large banquet receptions where a certain degree of sophistication and elegance are desired. Our Clubhouse features more than 20,000 square feet of indoor wedding and social space. We offer a seamless fusion of tradition and style, combined with a passion for uncompromising service, which creates an experience that is truly unforgettable.

The Club has three premier venues—Grand Lobby, Crystal Terrace and Stardust Ballroom—which are able to host ceremonies, cocktail hours and receptions; along with several smaller meeting rooms for rehearsal dinners and bridal party ready spaces. Each main venue overlooks downtown Indianapolis' Monument Circle, and boasts high ceilings, ornate chandeliers and original 1920s architectural features.

We invite you to work with our experienced wedding planning team to help coordinate the details of your special day. In addition, our culinary team will work with you to ensure a memorable time for you and your guests.

Our Cuisine

Our culinary team prides themselves on creating memorable food experiences. Menus are able to be customized and tailored to meet your personal preferences. For generations, the Columbia Club has enjoyed a reputation for exceptional fare, warm hospitality and unprecedented service standards.

Our Services

Prior to your event, your catering sales manager will work with you on details pertaining to custom menus, bar packages, room set up, décor, and a timeline of events. Clients also receive access to our network of local Indianapolis vendors, including wedding coordinators, photographers, and florists. Once the space has been contracted, your catering sales manager will meet with you to tailor your day to your style and preference.

Our Overnight Guest Rooms & Amenities

We pride ourselves on our all-inclusive services, from boutique overnight guest rooms, to fine-dining restaurants, to elite valet parking. We encourage our wedding clients to reserve an overnight room block for their guests, to have family and friends nearby for the wedding weekend celebrations. Our overnight guest rooms and dining amenities, along with our concierge services, create an exceptional wedding experience for guests and the happy couple.
